What other professionals have said about Hazriq

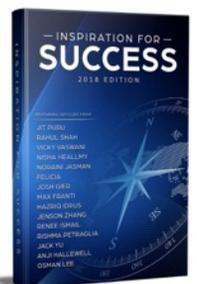

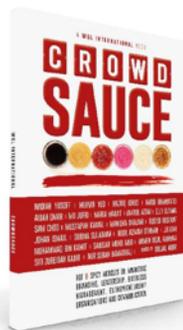

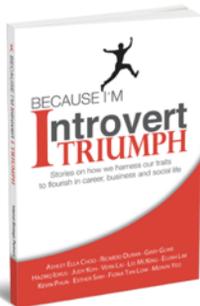

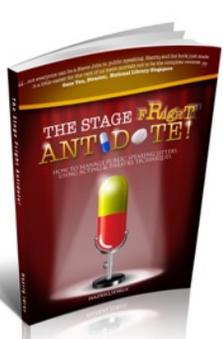

"... Hazriq had a wonderful presence as a speaker who easily engaged the audience with his 'Language of Creativity' message. His timing was spot on with this TEDx style presentation which helped me as MC keep our event on track... I highly recommend Hazriq to speak at your future events."

~ Rob Salisbury CSP | Corporate Events MC | Global Speaker, Australia

"... And so the time came and I found myself delivering my simple message ... I grabbed that mic and I started talking! I thought I was going to get very nervous, but I didn't!... And for that, I have to Thank You Hazriq ... for teaching me such a simple & fun way of speaking in public."

~ Maitte Cruz | Counsellor | Singapore

HIGH IMPACT PRESENTATIONS

Strategies to Build Your Presentation Confidence & Presence

Synopsis

This highly interactive workshop offers a fresh approach to end nervousness and stage fright when presenting in front of an audience. It is a combination of Basic Acting & Theatre Improvisation 101 that will give you the tools and basics you need to deliver engaging presentations at the workplace.

Based on the book “The Stage Fright Antidote!”, this programme is not your typical ‘presentation skills’ workshop. It is like an extravaganza of sorts with a mix of experiences. You will reinforce your knowledge by presenting all day in short exercises leading to 3-10 mins presentations. In this way, you’ll find the session enjoyable and risk-free; and see yourself progressing at a rapid pace.

Key Learning Outcomes

- **Diagnose:** The process begins by understanding your presentation objectives, audience avatar and your personal communication style(s)
- **Design:** Learn to develop and craft your message using the HPAC² Content Curation Blueprint©
- **Deliver:** Build your stage presence & engage the audience using the Theatre-based Presentation System© to deliver your message with impact
